

SMALL GROUP LEADER GUIDE

- Can you think of a time when your mom did something unnoticed that had a big impact on you?
- Discuss examples of everyday courage that mothers demonstrate. How can we celebrate the courage of the mothers in our lives?
- **Reread Exodus 2.** What admirable traits do you see in Jochebed?
- What can you do to show your mom (or another mother figure) that you see and appreciate the unseen things she does?

Remember:

Whether you are connecting with your group online, over the phone, or in person, the five things that make small groups so transformative (Accountability, Guidance, Encouragement, Vulnerability, and Application) can STILL HAPPEN. Think about how these things are happening in your group!
